*Attorneys to Health Professionals*

*Would Like to Introduce you to*

## **PODIATRIC PHYSICIAN ADVOCACY PROGRAM®**

*Available EXCLUSIVELY to PICA and NJPMS members starting October 1<sup>st</sup>*

The new, cutting-edge **Podiatric Physician Advocacy Program®** (“PPAP”) is designed to fit seamlessly with the Podiatrists’ administrative defense coverage provided by PICA. The program will provide members access to the expert health law defense team at KACS in case of a legal investigation as well as industry leaders and trusted advisors to build proactive solutions regarding billing & coding documentation for reimbursement, HIPAA compliance, asset protection and estate planning.

- **Billing and Coding Assessment** - *Valued at \$1,000*  
*MEDCO consultants assist, inform, and educate physicians on compliant coding and documentation procedures.*
- **HIPAA/HITECH Compliance Assessment** - *Valued at \$500*  
*Medsafe will offer physicians a general assessment of their cybersecurity vulnerabilities.*
- **Estate Planning Consultation** - *Valued at \$350*  
*Shah & Associates, P.C. will help physicians with a general estate planning review to help eliminate the uncertainties of the future of their estate.*

*Only \$495*

*Contact KACS at (800) 445-0954 or [info@ThePAP.com](mailto:info@ThePAP.com)  
to sign up today!*
