Kern Augustine, P.C. has been representing physicians and other healthcare professionals for over twenty-five years. Kern Augustine is a boutique Healthcare Law Firm devoted predominantly to the needs of physicians and other healthcare professionals such as: OPMC/SBME/OPD Investigations, Medicare Fraud, Fraud and Abuse, Hospital Privileges, RAC Audits, Medicare Audits, OIG Fraud, Medical Audits, and Billing Audits.

Kern Augustine provides the Physician Advocacy Program® to thousands of New Jersey physicians, and to thousands more who are members of the Medical Society of the State of New York. Through this program, participating physicians are assured expert legal assistance, at no additional cost, in the event of investigation by the State Board of Medical Examiners, OPMC, Medicare, Medicaid, the Department of Insurance and other regulatory agencies.

Kern Augustine also acts as General Counsel to numerous specialty and county medical societies throughout the nation. It also represents many hospital medical staffs. The firm has also been awarded Martindale-Hubbell's highest and most coveted rating of AV, meaning that they have rated the firm's legal ability as very high to pre-eminent and its general ethics as very high. Martindale-Hubbell is the nation's foremost attorney rating service and bases its ratings on carefully conducted investigations and peer review.

Kern Augustine not only provides representation to physicians before State and Federal regulatory agencies and in hospital privileges disputes, it also offers a full range of Healthcare law services including representation of physicians in commercial, contractual and transactional matters, regulatory compliance, employer-employee relationships, tax and pension issues, asset protection, disputes with managed care companies, and criminal and general litigation.

The firm also provides comprehensive services to meet the demands of the OIG Small Physicians Practice Compliance Guidance and HIPAA regulations.

In matters of business and group formation, Kern Augustine is at the cutting edge, working closely with physicians and the financial community, to create physician-owned and controlled practice entities, capable of assuring their independence and financial well-being for the long term.
