**FOR IMMEDIATE RELEASE**

## **Michael T. Goldstein Named President of the New York County Medical Society**

Kern Augustine Conroy & Schoppmann is proud to announce that Of Counsel Michael T. Goldstein has been elected as the new President of the New York County Medical Society.

Dr. Goldstein is a board certified ophthalmologist, sub-specializing in corneal surgery and a practicing attorney. He is actively engaged in the practice of both law and medicine. While still practicing medicine he attended the Pace University School of Law, as an evening student, and in January, 2007 he graduated Cum Laude. He was a member of the Law Review. Dr. Goldstein's background as a physician combined with his legal expertise enables him to view the law from a unique perspective.

Physicians can relate to him as both a colleague and attorney. His medical and legal background enables him to analyze accident related medical injuries cases from both the medical and legal perspective. His expertise and experience enables him to play a unique role in helping physicians defend themselves in OPMC and audit recovery cases. His knowledge of Health Law and Administrative Law makes him well suited to help physicians navigate the regulatory minefields that have become a part of the practice of twenty first century medicine. He has published and has expertise on physician joint venturing to enable independent physicians to survive in the new healthcare environment.

Dr. Goldstein is a Fellow of the American Academy of Ophthalmology, a member of the New York County Medical Society, and the Medical Society of the State of New York.
