NEEL SHAH, ESQ.

NShah@DrLaw.com

Mr. Shah's practice is focused on helping individuals, families & business owners who wish to protect their wealth and their legacy for current & future generations from estate taxes, law suits, the escalating costs of nursing homes and other sources of attack. Mr Shah uses his skill set to foresee, analyze & implement business-succession techniques for his corporate and individual clients as they initiate different stages of their lives & business ventures. He provides relevant, actionable advice for Estate Planning & Asset Protection strategies for families, business owners & real estate investors so their business actions do not jeopardize their family's wealth.

Kern Augustine Conroy & Schoppmann, P.C. is one of the few health care law firms in the nation which focuses its practice on the needs of physicians and other healthcare professionals. The firm's principals and senior attorneys are highly experienced. They have devoted their professional careers to representing healthcare professionals in their business and professional endeavors, and in defending them when the need arises.
